Remarks

Private end-unit residence at Peppertree Bay with outdoor patio space, lush tropical landscaping, and an easy stroll to the bayside community pool from the back door. Inside, you'll find extensive renovations and updates throughout, including new flooring, doors, fans and fixtures, walls, baseboards, and cabinetry. Major system improvements have also been completed, including waste lines, A/C, appliances and washer, dryer. Both the primary and guest baths have been updated along with a major enhancement to the kitchen. The 1st and 2nd floor lanai windows have been recently replaced-bringing in light while providing enhancing comfort and extended living space. A rare combination of privacy, thoughtful upgrades, and that classic Peppertree Bay lifestyle on Siesta Key. Must see and easy to show.
